Commerce Science Corporation Announces New Agreement

Leading e-commerce provider to work with M3 Worldsites Marketing, Inc., a marketing arm of WSI Internet Consulting & Education, Mississauga, Ontario, Canada

Atlanta GA (September 12, 2011) - Commerce Science Corporation (CSC), a leading software provider of e-commerce solutions is pleased to announce the signing of a marketing representation agreement with M3 Worldsites Marketing, Inc (M3). Under the terms of the agreement, WSI franchisee consultants will market CSC's eStoreXpress technology to WSI clients in the U.S. Robert Helmer, CEO of Commerce Science expressed enthusiasm on the new relationship stating, "CSC is very pleased to have WSI associates representing our technology. Our unique technology coupled with the extensive sales force of WSI should result in significant expansion of our client base during the fourth quarter of this year and years to come."

Commerce Science Corporation is an industry leader in providing a unique multi-channel "Software as a Service" (SaaS) technology. The company's eStoreXpress technology allows franchisors, distributors, associations and other clients to launch an e-commerce initiative having an unlimited number of eStores tied to an unlimited number of suppliers.

Recognitions include honors from the Georgia Technology Summit; Innovation for Growth, including being listed in the top ten Most Innovative Companies of 2007, presented by the Technology Association of Georgia (TAG).
